

Thank you!

Thank you for your interest in the retreats and conference ministry of Riverwoods Family Campus. We are blessed to offer our beautiful campus, nestled on 85 acres along the Fox River in Saint Charles, to your group for its conference, retreat or event. Our dedicated staff strives to provide a great experience from the initial contact through checkout.

Riverwoods is uniquely located - far enough away to escape the pace and noise of suburbia, close enough to be accessible with just a short drive. In fact, Riverwoods is within an hour drive of most Chicagoland locations.

Our Mission

Riverwoods Family Campus was established in 1977 as a camp and community outreach ministry to youth from under-resourced communities in the Fox River Valley. Each summer, Riverwoods welcomes hundreds of local youth to its 85-acre campus on the Fox River in St. Charles for a time of camping, canoeing, hiking, Bible study, games, relationship-building and more. During the school year, our Riverworks Family Life Skills Outreach program sends full-time staff into local under-resourced communities with after-school clubs, youth nights, mentoring, open gyms and much more.

While most of our summer ministry takes place at our St. Charles facility, the majority of our school-year ministry happens in the communities. During this time we proudly make our facility available for use by local churches and organizations for meetings, retreats and conferences.

We offer cabins that house 40 people each. The cabins offer a common area for meetings as well as microwave, refrigerator, fireplace, and outdoor fire pits.
